

PRINCIPAL NEWS

Welcome to Elizabeth South Primary School for 2019 school year. A warm welcome to all the new families who are joining Elizabeth South for the first time. We are looking forward to a great year ahead, working in partnership with you to achieve success for all members of our learning community. Learner achievement and wellbeing is our core business. I am pleased to announce that our leadership team now has three new members; Vanessa Holloway (Student Wellbeing Leader), Christine Isemonger (Student Support Coordinator) and Amy Bannear (Curriculum Coordinator). They join Danielle Green (Deputy Principal) and I, along with our highly skilled and dedicated team to support you and your child. We also have a number of new teaching staff: Merrilee Wallis - JP Special teacher and Sue McCandlish - Speech Pathologist;

Early Dismissal/Late Attendance

If your child is late for school (after 9am), please bring them to the Front Office to sign in for the day. If you need to pick your child up earlier than 3:00, you will need to sign them out through the Front Office and collect a slip which is then handed to the class teacher. The school day begins at 8:50. Students benefit greatly from being part of the morning routine and should be present from this time. Classes open and the yard is supervised from 8:40.

Electronic Newsletters

Please be advised that Elizabeth South Primary School is endeavouring to be eco-friendly and is therefore using an electronic version of the school newsletter. This will be available on the school's website. If you would like to continue to receive a paper version of the newsletter, please come and see the front office staff to register. We hope the community can support us to reduce our impact on the environment.

C3 NEWS

The children had their very first day at school at the start of this term. They are settling into school and finding out about many of the wonderful learning opportunities they will get at school.

In class, they have been reading books, listening to all sorts of different sounds, having Investigation Time, doing finger gym activities to make their fingers strong and much more. They have been learning about different feelings and the way those feelings make their bodies feel as well as things they can do to help calm themselves.

SCHOOL INFORMATION

Uniforms

It is expected that students wear a school uniform every day except where it is a special event that has been communicated to parents / carers. This would include events like casual days, Sports Day and camps. We believe that school uniforms develop a sense of belonging and pride in students and help promote the spirit of the school. School uniform enables the identification of students who are not part of our school and reduces peer pressure. The school has a range of new uniforms for sale through the front office which are available for purchase Monday to Friday 8:30-3:30. The school's uniform colours are navy blue and gold. Most uniform items are also available at minimal cost from Big W, Kmart and Best and Less.

Healthy Eating

Please supply a healthy recess and lunch for your child each day. Some classes may also require a brain break snack such as fruit or vegetables which is eaten during learning time. We encourage our students to sip water all day, please ensure your child has water in their drink bottle.

Up-to-date Student Records

Please ensure you contact the Front Office when there are changes to your phone number, street address or custody information.
