

ATSI STEM CONGRESS

On May 28th, Matilda from D1 went to the ATSI STEM Congress with Miss Kim and Miss Anji. It was an amazing day with lots of interesting parallels drawn between traditional and contemporary knowledge and understandings.

We attended a dance workshop where we were taught a traditional Ngarrindjeri dance called the Broлга Dance. We then got a crash course in making the dance moves into an algebraic algorithm and had a go at making our own algorithm.

We then attended a fire workshop where we learnt three traditional methods for fire making. Our task was to guess which method would be most effective and had a stop watch and a temperature gun to help us determine our answer.

We also made string by hand using traditional materials and tested its strength using a tensile machine. Anji got a much higher strength rating than Miss Kim, and second strongest in the whole group!

It was a fantastic day and we hope to attend next years' Congress!

ATSI TENNIS DAY

On Monday 3rd June, the ATSI students went to a tennis day at the Playford Tennis Centre where they got to meet Evonne Goolagong Cawley. The students got a t-shirt and a water bottle and coaching throughout the day. It was a brilliant experience for the students who very much enjoyed the whole day. We found out that some of our students have a knack for tennis!

REMINDERS

MSP SCHOOL PHOTO DAY THURSDAY 13TH JUNE

PUBLIC HOLIDAY MONDAY 10TH JUNE

DIARY DATES

- Thursday 6th June - Friday 7th June**

D2 NEWS

This term students have been strengthening reading comprehension and working on persuasive writing in Literacy. In Math students have created questions, collected data from each class and are now analysing whole school data to answer the question: Does playing electronic devices have an effect on our health? In HASS students are learning about Australian History: before and after Federation. During Reconciliation Week students created an artwork which will be put together to create a class mural.

ASSEMBLY AWARDS

HEALTHY FOOD CHOICES

choose **HEALTHY SNACKS**

Healthy snacks help meet kids' nutrition needs. Choose snacks based on:
• vegetables • fruit • milk • cheese • yogurt • wholegrain breads, crackers and cereals

× HIGH FAT AND SUGAR SNACKS • no more than 1 a day • only a small serve

NSW **MAKE HEALTHY NORMAL**
